

IATUL International Study Programme

Application

Conditions

Applications for the IATUL International Study Programme are made on the application form in accordance with the following conditions:

- The application must set out the purpose of the visit, the benefits of the study programme and include a schedule, budget and enclosed letter of support from the university librarian.
- Applications must include a communication strategy that outlines how the findings of the study programme will be disseminated, including reporting after the tour via a report, blog, presentation or publication to the IATUL membership.
- The IATUL Board determines the amount of the grant with an upper limit of EUR 4,000 (bank transfer costs included) on the recommendation of the selection panel.
- Within three months of the conclusion of the study programme, the grant holder must submit to the IATUL Office a brief report on the conduct and outcomes of the grant. The grant holder is encouraged to publish the findings in the professional literature and in their institutional repository, and may be invited to make a presentation to an IATUL conference or other event.

Applications for the following year should be sent to the IATUL Office (iatul@cpo-hanser.de) by the end of September using the attached nomination form. Only complete applications will be considered.
